

## British Society of Rehabilitation Medicine

Promoting quality through  
education and standards

# BSRM Travelling Scholarship

## Value: up to £600

The BSRM Travelling Scholarship is awarded annually on a competitive basis to facilitate travel for the purpose of enhancing an aspect of Rehabilitation Medicine practice. It is open to BSRM members, in specialty training posts, in Non Consultant Career Grade posts, and Consultant posts working within the NHS in UK.

Applications should be made to BSRM upon the attached application form, supported by a submission of not more than 1000 words outlining:

- the objective of travel
- potential benefits to the applicant
- relevance of the travel to practice of Rehabilitation Medicine

Applications must be submitted by 31 December and the Education Sub Committee of the BSRM will adjudicate and decide to whom the Scholarship will be awarded. In the event of two or more applications being of equal merit preference will be given to applicants with limited access to alternative funding.

The Scholarship has a maximum value of £600. This may **not** be used to fund conference attendance per se and is not intended to cover fully the costs incurred. Applicants must indicate from where other funding has been sought.

It is a condition of award of the Scholarship that the recipient must submit a written report to the BSRM on the travel within 3 months of its completion for publication in the Newsletter and/or a poster at the annual BSRM conference.

The decision of the Education Sub Committee is final and no communication can be entered into between applicants and the BSRM on this matter. It remains the right of BSRM not to award the Scholarship if no application of sufficient merit is made.

President: Professor Lynne Turner-Stokes | Registered charity number 293196
